Report on Membership (Secretary, Terry McCreary)

Report on Finances (Treasurer, Henry Coffey)

Previous Business

1. Filing for 501.3C Status (Allen Hall, James Stanly)
 - a. Advice, pro, cons, pitfalls from:
 - i. NAR (Peter Tarle)
 - ii. TRA (Terry McCreary)
 - b. File paper work (Henry)

New Business

1. Do we support the October Sky Festival again this year?
 - a. Date: October 16, 2021
 - b. Who can travel to Oliver Springs?
 - c. There is a field 2 miles south of the park, that maybe just large enough to support HPR. It has some access across from a school that could provide parking and observation area for at least a demo flight. Do we ask the Festival organizer to Pursue permission to use the field? We would of course provide whatever support needed, but it would be up to them to ask the landowner, it's their event.
2. Kit (Inventory) yard sales at launches (Allen Hall, James Hudspeth)
 - a. Prices need to be determined. (Need volunteers)
 - b. Kits need to be tagged. (Need volunteers)

- c. Members get discount off tagged price, how much?
- d. Start at yard sales first launch of the season?

Round Table Discussion

1. Do we have land owner approval for a 2-day Southern Thunder in March or April of 2022? Tag line... *"Do you hear it... that rumble in the distance?"*
2. Google will no longer support our type of website after December 31st.
3. Committee to investigate club maintaining Hybrid equipment and ordering/selling motors.
4. Launch Binder and Contact list, in progress (Allen)
5. MC2 Newsletter, The Daech's have moved to FL (Allen)
6. Launch photographer/videographer. (Allen)
7. Research liability questions under state law (Allen), Do we have an attorney referral?
